Staff of Life, Smart Chicken donate to food bank

Staff of Life Natural Foods recently partnered with Smart Chicken to donate over four tons of chicken (via the Smart Giving Program) to Watsonville's Second Harvest Food Bank. The chicken is high-quality, air chilled, and humanely raised without hormones or antibiotics. "Second Harvest Food Bank is thrilled to be the beneficiary of Staff of Life Natural Foods and Smart Chicken's exceptionally large donation. With over 8,200 pounds, which adds up to 6,520 meals for our community," said Richelle Noroyan, Corporate Community Relations Director for Second Harvest. "With everything that is happening in our area, we are happy to help the Pajaro community as they move forward in their recovery."
