Fundraising Ideas to Support Second Harvest

- **Create an Online Campaign Page** that allows colleagues, customers, and clients to give directly to Second Harvest with an online donation. We provide a link for you to share, and we keep track of how much your team raises. Super easy!
- **MINI BARRELS** Place counter-top mini barrels, provided by Second Harvest, in the office lobby and break room to collect donations.
- **BAKE SALE** Bake delicious homemade food, and treats. Some favorites include tamales or tacos, a chili cook-off, homemade pies, and desserts to purchase for the holidays.
- **RAFFLES** 50/50 cash raffle, a day off, preferred parking, event tickets, restaurant certificates, or dinner with the boss.
- **GIFT BASKET** Gather favorite cheese, wine and dining gift cards, lottery tickets, beauty, and health items. Sell tickets, and raffle off the basket.
- **MATCH YOUR GIFTS** Double your impact! Check to see if your company matches employees' charitable donations through a payroll deduction match or total campaign match.

Build Your Team! Get your team together to help plan and share their creative ideas!
