

WE NEED 80 BEFORE 1/3/2020 SIGN UP IS FREE

John Lennon's estate is using his image to help make California a healthier community with the issuance of this commemorative plate and providing an on-going funding stream to CA Food Banks.

1. You have been selected to be given the opportunity to sign up for a **FREE** pre-registration for the 'Imagine No Hunger' special license plate featuring the iconic **John Lennon** self-portrait. This is at no cost to you and provided we are successful in completing the 7,500 pre-registration requirement mandated by the DMV, by January 3, 2020, you will receive the 'Imagine No Hunger' license plate in approximately July/August of 2020.
2. You will receive an email in January, 2020 if/when we are successful.
3. When the DMV has created the plates, you will then be issued the plate when it becomes available, registered to your vehicle.
4. This free offer is only for **sequential numbered plates** (no personalized plate choice. However, after it has been issued, you may switch it to a personalized plate for payment of additional fees.)
5. Please complete the information below so that your information can be submitted to DMV. Once the 7,500 is reached, this offer will end.
6. After your first registration period (up to one year), there will be an annual renewal fee with your annual registration renewal, of an additional \$40 to keep the 'Imagine No Hunger' plate on your vehicle and support hunger relief in California. However, you may cancel at any time.
7. This offer is not available for anyone who has already signed up for the 'Imagine No Hunger' pre-sell and is limited to California vehicle owners. You can sign up all your vehicles.

The issuance of the 'Imagine No Hunger' special plate is subject to the completion of the 7,500 pre-registration together with the submission of the requisite funds to the DMV, pursuant to applicable California law. If the 7,500 pre-registration is successfully completed, your sequential plate(s) will be mailed to the address the DMV has on file.
