

# Volunteer COVID-19 Waiver

## **Agreement:**

- I attest that I am not experiencing any symptoms of illness such as a fever, cough, or shortness of breath. If I develop these symptoms, I agree that I will cancel my shift before arriving at the Food Bank, as far in advance as possible.
  
- I am aware of and will follow the safety and hygiene protocols that have been implemented by Second Harvest Food Bank, including:
  - I will sign a copy of this form (Volunteer COVID-19 Waiver) prior to volunteering.
  - I have received a copy of the Second Harvest Food Bank work health policies.
  - I agree to a daily temperature screening (administered by the food bank), prior to volunteering. If I have a temperature of 100.4° F (38.0° C) or greater I will not volunteer.
  - I will adhere to 6-foot distancing procedures, wear a mask at all times, and use gloves while working with food (gloves and masks will be provided, but volunteers are encouraged to bring their own masks if they have them).
  - If I do not comply with safety or hygiene protocols while volunteering, SHFB staff will provide me two warnings. If I am warned more than twice I will be asked to leave.
  
- I attest that:
  - I have not traveled internationally in the past 14 days
  - I have not traveled to a highly-impacted area within the United States in the past 14 days
  - I do not believe that I have been exposed to a person with a confirmed or suspected case of COVID-19
  - I have not been diagnosed with COVID-19 and not yet cleared as non-contagious by state or local public health authorities
  - I am following recommended guidelines as much as possible - practicing social distancing by participating in group activities of fewer than 10, trying to maintain separation of six feet from others, and otherwise limiting my exposure to the coronavirus.

## **Assumption of Risk and Waiver of Liability:**

In the interest of public safety and the safety of Second Harvest Food Bank employees and other volunteers, I give Second Harvest Food Bank permission to take my temperature upon entry into the facility. If my temporal artery (forehead scan) temperature reading is 100.4° F (38.0° C) or higher, Second Harvest Food Bank reserves the right to ask me and/or my group to leave and reschedule the volunteer shift.

I agree to abide by Second Harvest Food Bank safety and sanitation standards. To the greatest extent permitted by applicable law, Second Harvest shall not be held liable if I contract COVID 19 from volunteering at the Food Bank or participating at one of its sites.
